*What is Moodle?*

*How can I use Moodle in my  
classroom?*

*What are the basic steps for  
starting with Moodle?*

Learn all the basic steps for  
creating a Moodle site to give  
your instruction an online  
presence. This includes  
customizing layout, grading  
student work, how to  
communicate to students by  
leaving feedback or using a  
calendar, and adding internal  
and external links.
