

Hands-On science Kit Committee

**Teachers
K-7th Grade**

Workshop Focus:

Bring all of your ideas, suggestions, and your enthusiasm for making our newly aligned kits even better. Plan to spend a few hours with colleagues who are also dedicated to science instruction. The time you invest will benefit all of our students. A stipend will be provided for your time.

**FACILITATOR:
MARILYN
TURNER**

Date: October 22, 2008

Time: 4:00-6:00

Where: MLISD
